Guideline on Course Selection (For Foreign Postgraduates)

Graduate School

Autumn Semester of 2017-2018

TABLE OF CONTENTS

SCHEDULE:	1
IMPORTANT NOTES	1
COURSE INTRODUCTION	3
GRADUATE SCHOOL GENERAL COURSES TIMETABLE	12

Schedule:

Period 1: 22nd January to 18th February

Period 2: 19th February to 21st February

Period 3: 22nd February to 25th February

courses withdrawal deadline: 2nd March

Important notes

1. Postgraduate students (including exchange students and scholars) can register for their desired courses via the on-line course registration system during the course registration periods.
2. There are two times for course selection in each academic year, one in late August/early September (Autumn Semester) and the other in January/February (Spring Semester). The actual dates vary from year to year depending on the academic calendar.
3. Curriculum schedule of the English taught programs can be downloaded from the Graduate School homepage <http://gs.xmu.edu.cn/en/>.
4. Students are strongly encouraged to consult their supervisors or program secretary/coordinator the courses they should be required to take before starting to register for courses.
5. Preparation for Course Selection
 - a) Read the regulations.
 - b) Check the study schedule of your program.
 - c) Check the teaching timetable.
 - d) Check the course selection schedule and confirm whether

selection of courses is required by your program.

6. Students can sign up for courses during the course registration periods or withdraw the selected courses before the course withdrawal deadline. The course withdrawal deadline is normally one week after the course selection period (please refer to the schedule of the relevant semester). After the course withdrawal period, students will not be allowed to drop any courses.
7. Students who fail to complete the entire lessons or to participate in course work and examinations will receive zero score for that course.
8. Please be reminded that the course selection system may get “crowded” when the deadline is near. Therefore, students are suggested to sign up for or withdraw from any course as early as possible.

Course Introduction

Postgraduate courses are generally divided into three categories: general courses, required courses and optional courses. General courses are offered by the graduate school.

Below is the introduction of general courses and English-taught courses:

General compulsory Courses

There are two required General Course modules:

1. Chinese Language

- 高级汉语 (Taught in Chinese) or
- Rudiments of Chinese Language (Taught in English)
- Elementary Chinese Reading and Writing (Taught in English)

2. Introduction to China

- 中国概况 (Taught in Chinese) or
- Selected Issues on China (Taught in English)

Teaching Language	Targeted students	Course 1	Course 2
English-taught Program	PhD candidate	Rudiments of Chinese Language (Siming Campus)	Selected Issues on China
	Postgraduate	Elementary Chinese Reading and Writing (Xiang'an Campus)	
Chinese-taught Program	PhD candidate	高级汉语	中国概况
	postgraduate		

The specific time/place/classroom/teachers and other information of these courses are available in the on-line course registration system.

Exemption from the General Courses

How to use the online course selection system?

The following is a step-by-step guide for selecting the courses on-line:

Step 1 – Log-in:

Students should access the system via System Portal. Please visit <http://gs.xmu.edu.cn/EN/> to enter the course selection portal.

The screenshot shows the homepage of the Xiamen University Graduate School. At the top left is the university's logo and the text "XIAMEN UNIVERSITY GRADUATE SCHOOL". On the top right, there is a search bar with a "GO" button and a link for "Home / Chinese". Below the header is a large banner featuring a traditional Chinese painting of figures in a landscape. To the right of the painting, there is text in Chinese: "《织情叙意》", "作者: 张玉惠", "厦门大学艺术学院美术系", "艺术硕士专业学位研究生", "获第十二届全国美术作品展览", "漆画类作品唯一金奖". Below the banner is a navigation menu with several categories: "About Us", "Instructions", "Admissions", "News", "Quick Links", "News and Announcement" (with a "More" link), "International Partners", "Brochures", "Login" (highlighted with a red border), "Dean's Email", and "Xiang'an Campus". The "News and Announcement" section contains several news items with accompanying photos, including "Conference and Farewell Meeting on CSC Graduate Program 2017 Held in...", "The Graduate School Organized a Mobilization Meeting and Training...", "Notice of system update", "The 2017 Commencement Ceremonies Held in XMU for 7651 Graduates", and "The Thirteenth Session of the Ninth Committee Meeting for the Conferment...".

The red word “unsettled” means that the selected course has not been successfully confirmed. If your course selection has been secured,

the “unsettled” in color red will change to “settled” in color green. The course status will be changed after the deadline of each course selection period. Students who do not successfully register in their desired course(s) in the first or second period can choose to sign up for other available course(s) in a subsequent period. Students will not be able to register for courses after the course selection period ends.
